

 Read and type the correct words next to the symbols.

This is Professor Storm. He's a zoologist and he lives in a small house in Africa. He always gets up early and goes into the jungle to study animals. He finds the right place to hide and he makes a noise because he doesn't want to disturb the animals. He finds young animals who need help. He takes them home and looks after them for a few months. In this photo he is with Mira, a baby monkey without a mother ...

 Look and write.

- 1 He uses a  . He often uses a compass.
