Cut out the Shapes

Modify to match the cutting ability of your child. Use either the cutting lines around the shape, or the grid cutting lines, or just cut them all out for your child to use to glue and match on the next page.

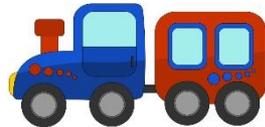

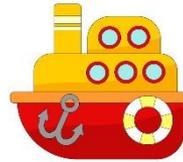

Glue the Shapes

As your child glues the matching shapes {cut out from the previous page} use vocabulary to emphasize colors and shape names!

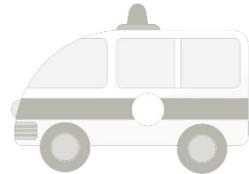

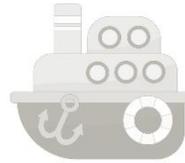

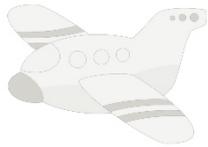

Cutting Fun

Adult: cut on the solid line to make cutting strips, then have your child cut on the dotted lines.

Gluing Fun

Use the images you cut out on the previous page to match and glue on this page!
