

# Weighing an Argument

## ELECTION WORKSHEET

(1) Use a dictionary to find out the meanings of these words. Then match the words with their English definition.

1 vote                      A Someone who wants to win an election.

2 voter                     B Say you will do something for somebody else.

3 election                 C Make a choice in an election.

4 candidate              D The process of choosing a leader by voting.

5 promise                 E The person who votes.

(2) Fill in the blanks with the following words:

*vote*

*election*

*candidate*

*promise*

An \_\_\_\_\_ is the process of choosing a leader by voting. There are usually several \_\_\_\_\_. The \_\_\_\_\_ who gets the most \_\_\_\_\_s wins the \_\_\_\_\_. The \_\_\_\_\_s make \_\_\_\_\_s to the voters, but the winners don't always keep their \_\_\_\_\_s.

(3) Who would you vote for?

candidate #1

candidate #2

candidate #3

candidate #4

“I promise to give everybody a million dollars.”

“I promise to find jobs for the unemployed.”

“I promise to improve our education.”

“I promise to protect the environment.”

(4) A *Green Party* is a party in many different countries that promises to protect the environment. What do you think they would promise? Make a Green Party campaign poster.
