Future War

Your kids
I'll probably . . .
I might . . .

Trade Places
I'm thinking of . . .
I'm planning to . . .

Next year
I intend to . . .

I'm going to . . .
I hope to . . .

I've decided to . . .

Procedure:

1. Hand out the main sheet and place it on the table
2. Explain to the students how to play.

Each box corresponds to one question. Each student has roll a dice **and move a piece**.

Ask the students to use make a sentence with two things about the future and then ask a question about the future to someone else.

Try to use many of the expressions .

If the answer is correct, when it is their turn, they can go on playing, if not they have to skip one turn.

The student who first finishes the **iter** from “FINISH to START” is the winner

Thank the students for coming to the lesson.
