

Dan is reading a story. Read it and answer the questions.

The Twins' Happy Day

Ben and Ken are twin brothers. They live in Nanjing. Today is their birthday. They go home by school bus after school.

5 'Is Mum home?' asks Ben. 'No, she isn't,' says Ken. 'She's still working at school.' 'Is Dad home?' asks Ben. 'No, he isn't. He's still busy in the hospital,' says Ken. 'Are our sisters, Sally and Lily, home?' asks Ben. They aren't. The boys are sad. They want to have a birthday party.

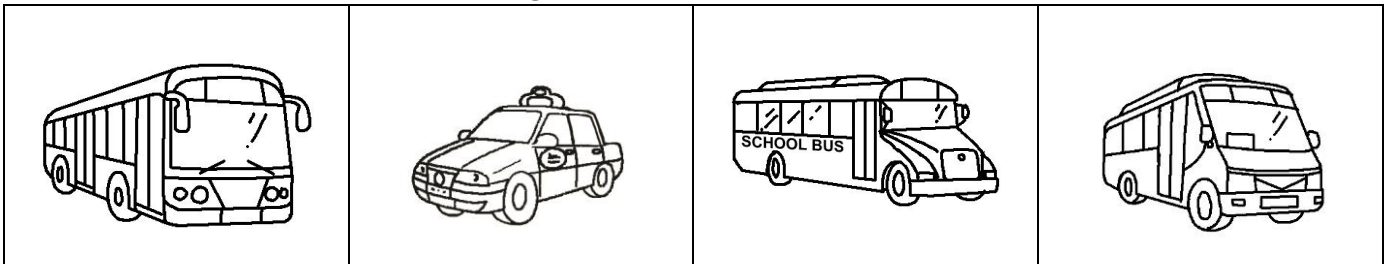

10 'Happy birthday!' Their family jump out behind the table. There is a big birthday cake for the twins. 'Thanks so much!' say the boys.
