Dogs

Dogs come in many shapes and sizes.

**Some dogs are small and some dogs are big.
Which dog is bigger?**

**GUESS
WHAT?**

**Dogs are
related to wolves.
Both animals bark,
whimper, and
growl.**

**Dogs need exercise to stay healthy—
just like you!**

They like to walk, run, and play.

Some dogs are fast and some dogs are slow.

Which dog will get the ball first?

**GUESS
WHAT?**

If a dog pulls really hard on her leash, she may need more exercise.

Dogs have fur.

There are many different kinds of fur.

Some dogs have long fur and
some dogs have short fur.

Which dog has long fur?
Which dog has short fur?

**GUESS
WHAT?**

Dogs with light-
colored coats can
get sunburned, just
like people!

Dogs learn about the world by smelling.

Some dogs have big noses and some dogs have small noses.

Which dog has the bigger nose?

**GUESS
WHAT?**

Your dog can tell whether you've been playing with another dog just by smelling you!

Dogs can hear sounds that humans cannot.

Some dog ears stick up and other dog ears flop down.

Which dog has floppy ears?

**GUESS
WHAT?**

Dogs can hear sounds that are a lot higher. Dog whistles can be heard by dogs, but not by humans.

**You've learned
all about dogs.
Can you find . . .**

a big dog?

a small dog?

a dog with long fur?

all the dogs' noses?

a dog with ears that stick up?
