Daddy: Alright. Peppa is the detective.

Peppa: George. I am the detective.

I will help you find Mr. Dinosaur.

Mummy: Maybe the detective should ask George some simple questions.

Peppa: George? Where's Mr. Dinosaur?

George: Whaaaaaaaaaaaaa.

Narrator: George did not know where Mr. Dinosaur is.

Daddy: The detective could try and guess where Mr. Dinosaur might be.

Peppa: I know. I know where he is.

Peppa: George always has Mr. Dinosaur with him in the bath. So Mr. Dinosaur is in the bath.

Narrator: Mr. Dinosaur is not in the bath.

Peppa: Oh. I know. I know where Mr. Dinosaur is. George always has Mr. Dinosaur in his bed at night. So that's where he is.

Narrator: Mr. Dinosaur is not in George's bed.

Peppa: Oh.

Mummy: Maybe we should try the garden.

Peppa: Yes, the garden. I was going to see that.

Peppa: Where is Mr. Dinosaur?

Narrator: Mr. Dinosaur is very hard to find.

Peppa: Oh. Mr. Dinosaur isn't anywhere.

Daddy: George? You do love to throw Mr. Dinosaur in the air... I wonder if this time you threw Mr. Dinosaur just a bit too high.
