

# Babysitting

**Narrator:** Mummy Pig and Daddy Pig are going out for the evening. Granny Pig and Grandpa Pig are going to baby-sit.

**Peppa:** Granny Pig, Grandpa Pig!

**George:** Ganggy Ig! Baba Ig!

**Granny:** Hello, my little ones!

**Grandpa:** Hello.

**Mummy:** Peppa, George. Into your beds! Quick!

**Daddy:** Goodnight, my little piggies!

**Mummy:** Goodnight. Sleep tight!

**Peppa:** Goodnight, Mummy. Goodnight, Daddy!

**Granny:** What little darlings!

**Mummy:** Now go to sleep quickly.

**Peppa:** Yes, Mummy.

**Mummy:** So well behaved!

**Narrator:** Mummy Pig and Daddy Pig are leaving for their evening out.

**Granny:** Peppa and George are so good. They just fell asleep When Mummy Pig told them to!

**Grandpa:** This babysitting is easy!

**Peppa:** George? George, are you awake? Shhh!

**Narrator:** What strange noises.

**Grandpa:** I wonder if we should check upstairs...

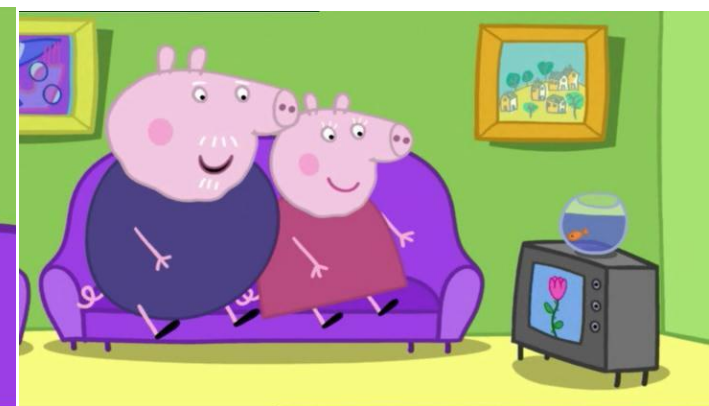

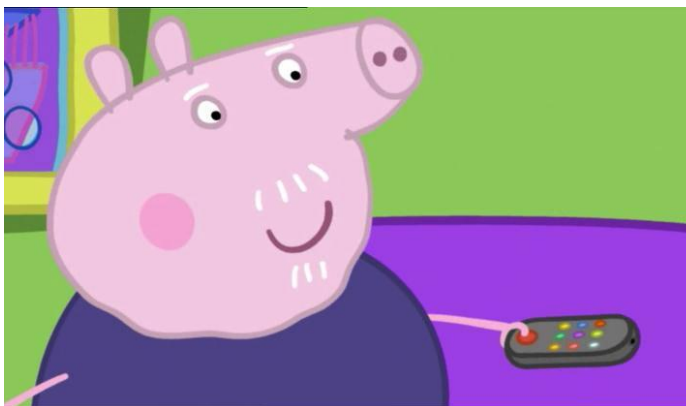

**Granny:** Peppa, George? Are you awake?

**Granny:** Well, I never, fast asleep.

**Grandpa:** So, it wasn't Peppa and George making all that noise.

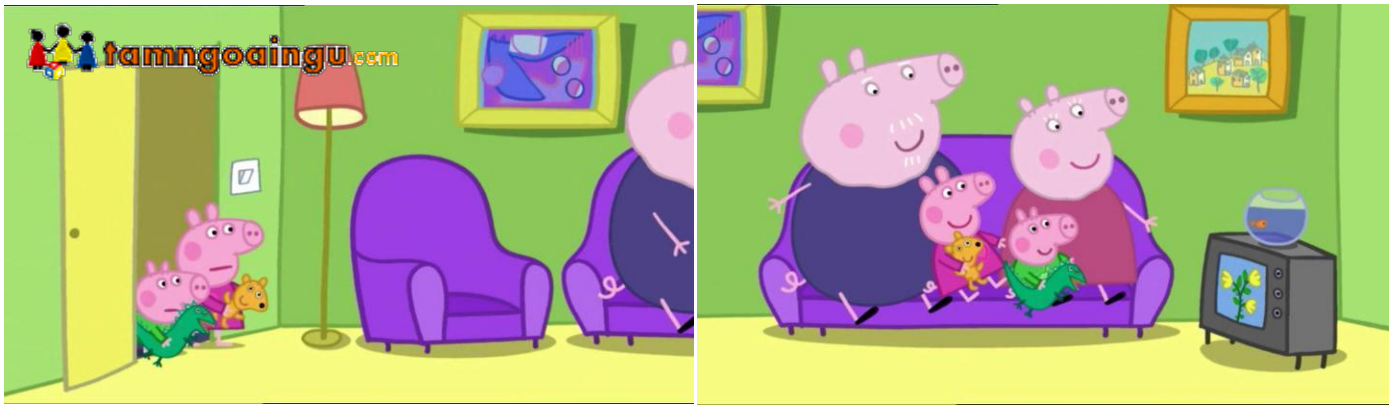

**Granny:** I can't hear anything.

**Grandpa:** I think they really have fallen asleep. Let's watch some television.

**TV:** Gardening. Today we are talking about "Roses".

**Grandpa:** Oh, I love gardening programs!

**TV:** The Gavesgate is a particularly thorny rose. To prune it, start by lopping off the head and then snip away the budding shoots.

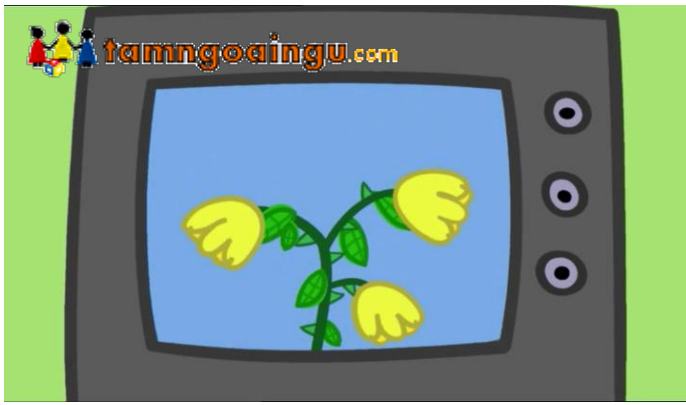

**Peppa:** Granny Pig?

**Granny:** Peppa? George? You should be in bed asleep!

**Peppa:** George and I are not sleepy at all. Can we watch TV with you?

**Granny:** Well... I suppose watching a little TV might make you sleepy.

**Peppa:** Hurray!

**TV:** Icelandic Roses are a rare treat for the discerning horticulturist. But they are prone to lobbing in temperate habitats.

**Peppa:** This program is very boring. Grandpa Pig? Can you play that game where you throw us up and catch us?

**Grandpa:** Okay, but just one turn each! Wheeeee! Phew... You seem heavier than before.

Now it's George's turn. Wheeee!

**Peppa:** My turn! Wheee! Higher! Higher!

**Granny:** Maybe Grandpa Pig is a bit tired.

**Peppa:** I know! Granny Pig, let's play catch!

**Granny:** Err...

**Peppa:** You're "It"! Catch us if you can!  
Can't catch me!

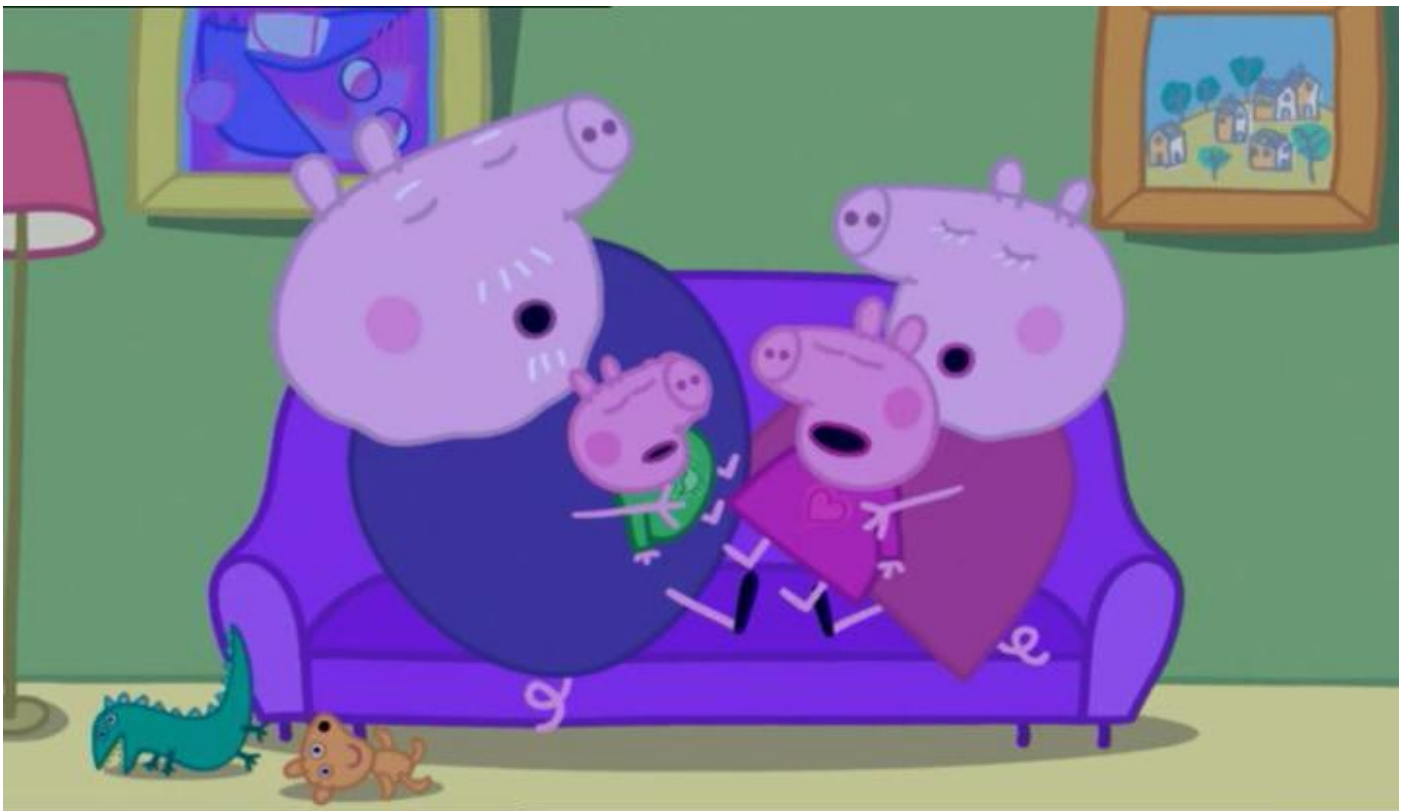

**Granny:** I'm going to catch you!

**Narrator:** Mummy Pig and Daddy Pig are back home.

**Mummy:** I hope our little piggies are asleep.

**Daddy:** Hello? Anyone here? Ho ho ho..., The little piggies are asleep! And so are the big piggies!
