Not Very Well

Narrator: Mummy and Daddy Pig have just made breakfast for Peppa and George.

Daddy: Breakfast is ready!

Narrator: Peppa has red spots on her face!

Peppa: Mummy, I don't feel very well.

Mummy: Oh, dear, Peppa. You don't look very well.

Daddy: Don't worry. I'll ring Dr. Brown-Bear.

Dr. Brown Bear: Dr. Brown-Bear speaking.

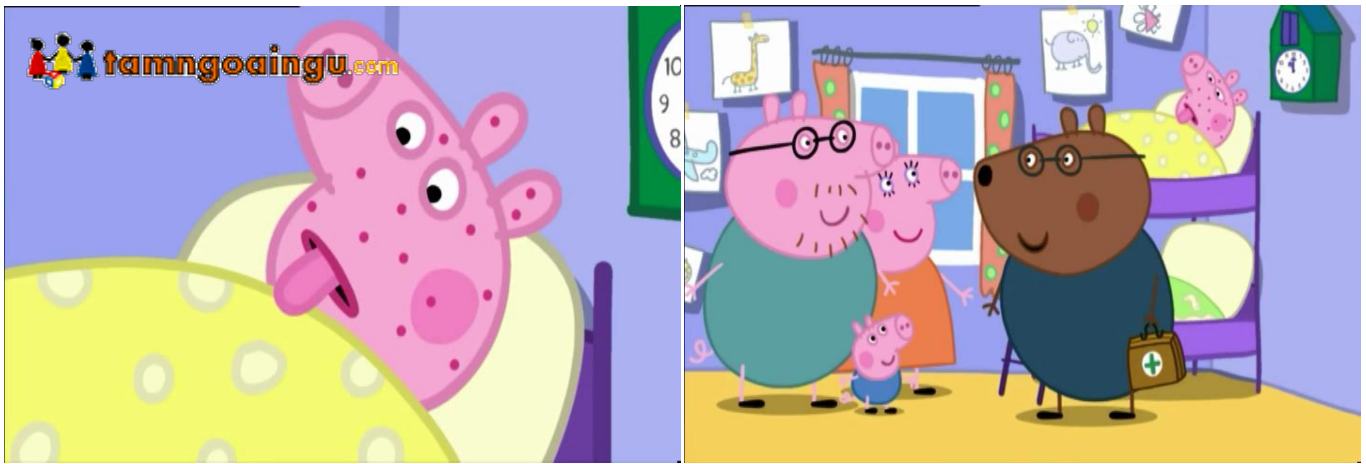

Daddy: Peppa is not very well. Her face is covered in red spots!

Dr. Brown Bear: Put Peppa to bed and I'll come straight round.

Narrator: Dr. Brown Bear has come to make Peppa better.

Dr. Brown Bear: Hello, Peppa, how are you today?

Peppa: I am not very well.

Dr. Brown Bear: Stick your tongue out, please.

Hmmm... It's not anything serious. Peppa has just got a rash.

Peppa: Do I need medicine?!

Dr. Brown Bear: The rash will clear up quickly. But if you like, I can give you just a little medicine.

Peppa: Yes, please.

Dr. Brown Bear: I'm afraid it doesn't taste very nice. Open wide, please.

Peppa: Eeuuurgh! Disgusting!

Dr. Brown Bear: You are a brave little one for taking it so well.

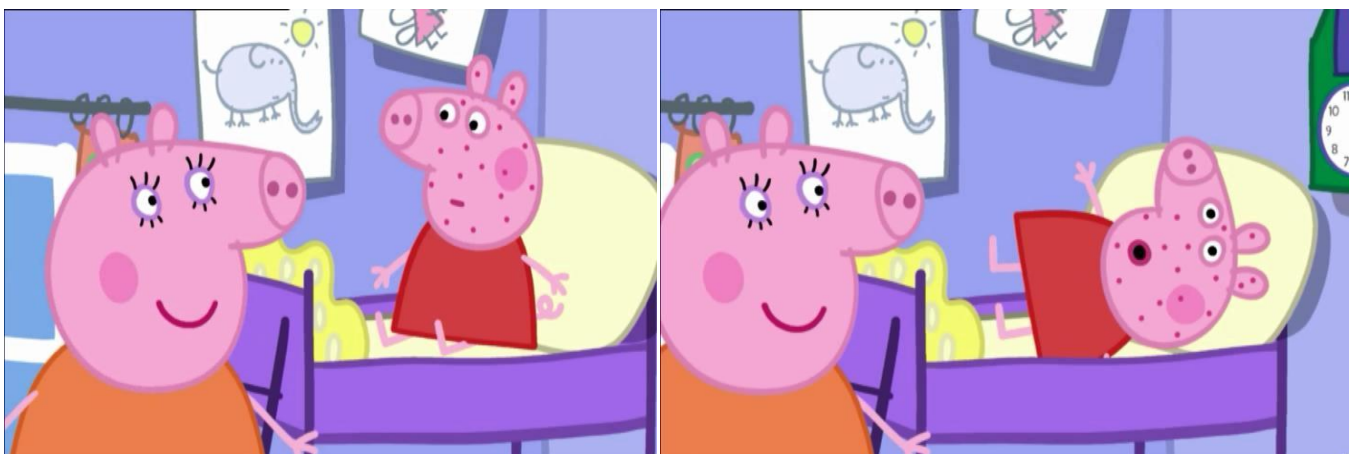

Dr. Brown Bear: Peppa must stay in bed. I'll call back later to check that she is better.

Mummy: Can Peppa have visitors?

Dr. Brown Bear: Oh, yes, she can have visitors. The rash isn't catching. Goodbye!

Daddy: Goodbye! Dr. Brown Bear!

Peppa: Mummy, can I get up now?

Mummy: Dr. Brown Bear says that you must stay in bed for a little bit, Peppa.

Peppa: But it's so boring!

Mummy: Dr. Brown Bear did say you could have visitors.

Peppa: Can Suzy Sheep visit me?

Narrator: Suzy Sheep is Peppa's best friend.

Mummy: I'll ring Suzy Sheep's mummy.

Suzy's Mummy: Hello, Mrs. Pig.

Mummy: May Peppa talk with Suzy, please?

Peppa: Hello, Suzy!

Suzy Sheep: Hello, Peppa.

Peppa: I'm not very well. I have red spots on my face.

Suzy Sheep: Has the doctor been?

Peppa: Yes, Dr. Brown Bear was here!

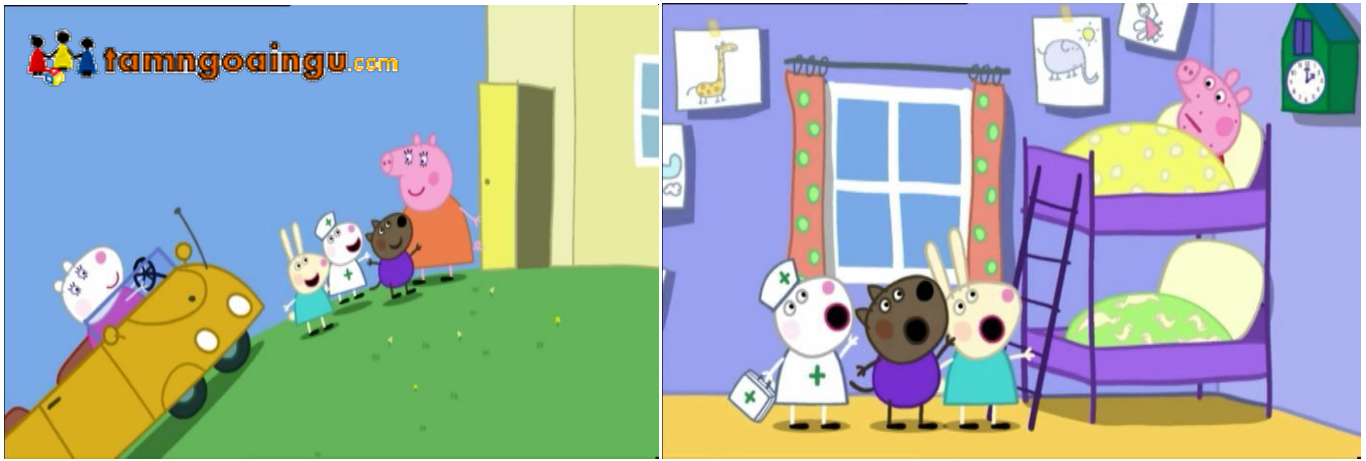

Peppa: He said I was not very well and that I was very brave.

Suzy Sheep: So are you really ill?

Peppa: Yes, yes! It's not pretend! I have to stay in bed!

Peppa: Dr. Brown Bear gave me medicine that tasted really horrible!

Suzy Sheep: I'm coming to see you! I'm going to wear my nurse's outfit!!!

Narrator: Suzy Sheep has come to see Peppa. Suzy is wearing her nurse's costume. Danny Dog and Rebecca Rabbit have come along, too.

All: Hello, Peppa!

Peppa: Hello!

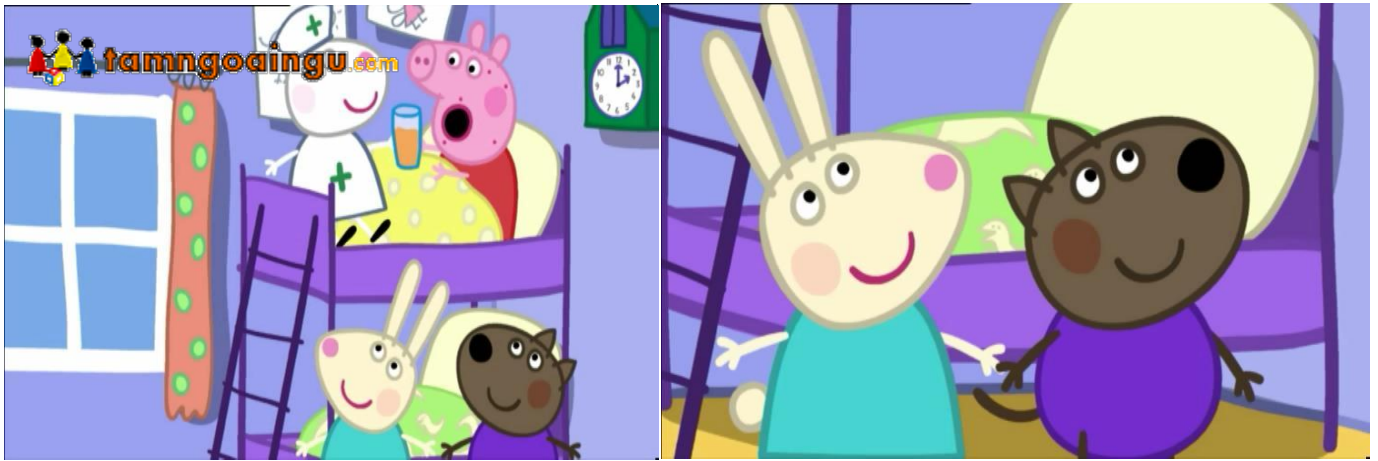

Suzy Sheep: How do you feel?

Peppa: I am not very well, Suzy. I have to stay in bed.

Suzy Sheep: What can we do to make you better?

Peppa: You could get me some orange juice.

Suzy Sheep: Ok!

Narrator: Peppa seems to be quite enjoying herself.

Peppa: Thank you, Suzy.

Suzy Sheep: Do you feel any better?

Peppa: A little bit. Danny, Ask my mummy if I could have some ice cream.

And Rebecca, could you bring me some flowers from the garden?

Narrator: Dr. Brown Bear is here, to see if Peppa is better.

Dr. Brown Bear: Ah, good, the nurse is already here!
How is the patient?

Suzy Sheep: Err... I'm not a real nurse, it's just pretend.

Dr. Brown Bear: I see. Would you like me to take a look myself?

Suzy Sheep: Yes, please.

Dr. Brown Bear: I say! No more red spots! You're completely better!

Peppa: Aren't I still a bit ill?

Dr. Brown Bear: How do you feel?

Peppa: I think I should stay in bed a little bit more.

Daddy: Hmm.. I fancy a game with this ball in the garden!! Who wants to join me?

All: Me! Me! Me!

Peppa: Me, too!

Dr. Brown Bear: Well, I never! A complete recovery!
