

Secrets

Narrator: Mummy Pig has made a special box for Peppa.

Mummy: Peppa, this box is just for you!

Peppa: Thank you, Mummy!

Mummy: It's a secret box for you to keep secret things in.

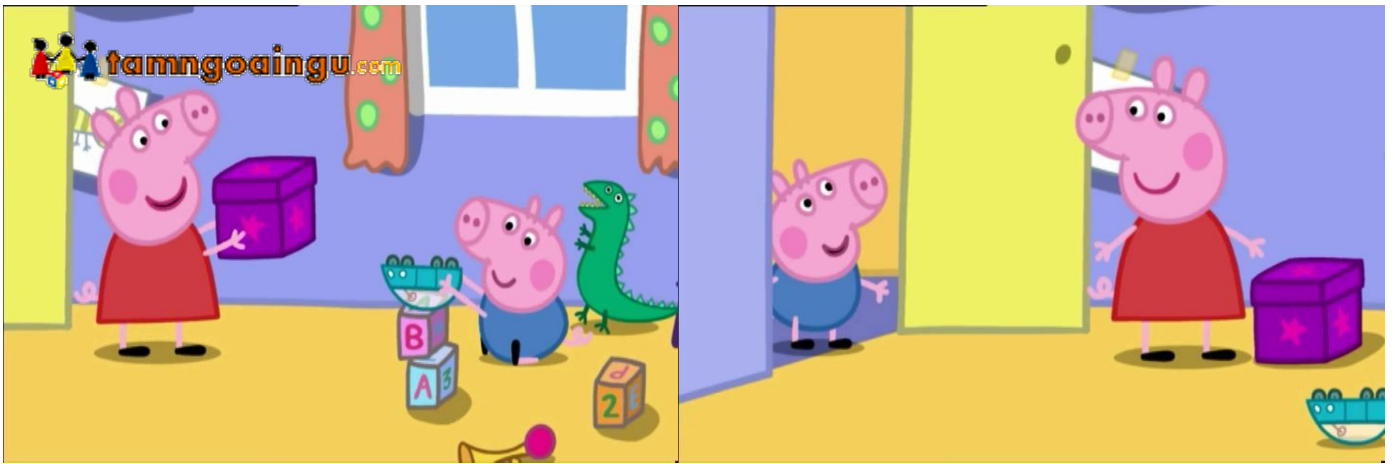

Peppa: What things can I put in it, Mummy?

Mummy: Only you can decide that, Peppa!
It's your secret box!

Peppa: I know what I can put in it!

Mummy: Good. But don't tell me.

Peppa: I won't tell you or George or Daddy!
It's a secret!!

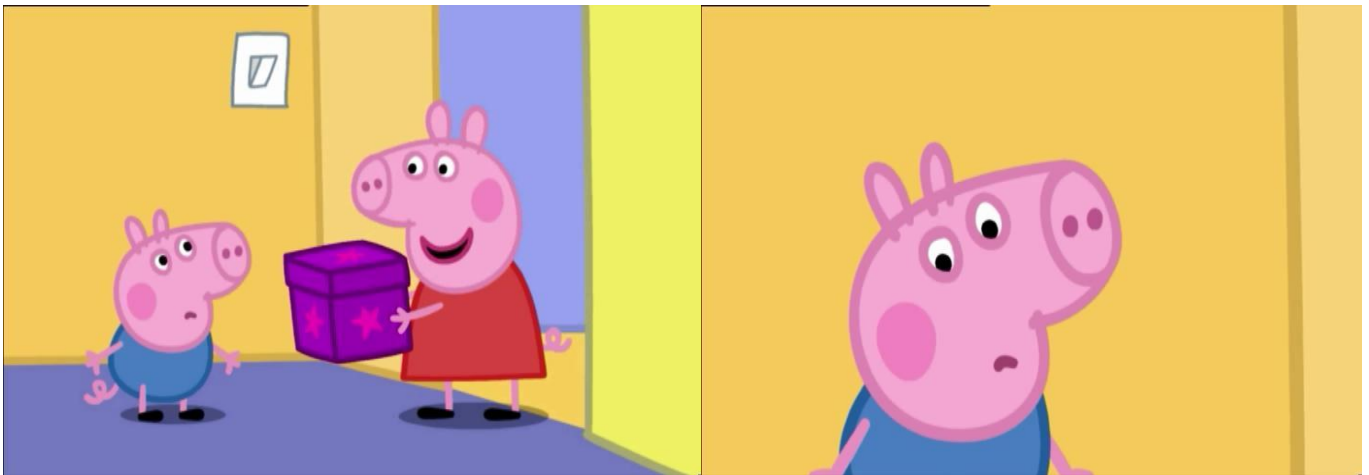

Peppa: George, this is my secret box! It's empty. I have to find some things to put inside.

Narrator: George wants to help Peppa.

Peppa: No, George, only I must know what's in the box. You have to wait outside while I choose.

Narrator: Peppa is going to choose some secret things to put in the box.

Peppa; Now, my secret box is full! George, you must not look inside!

Narrator; George would like to know what is inside Peppa's secret box.

Peppa: If you like, you can try to guess.

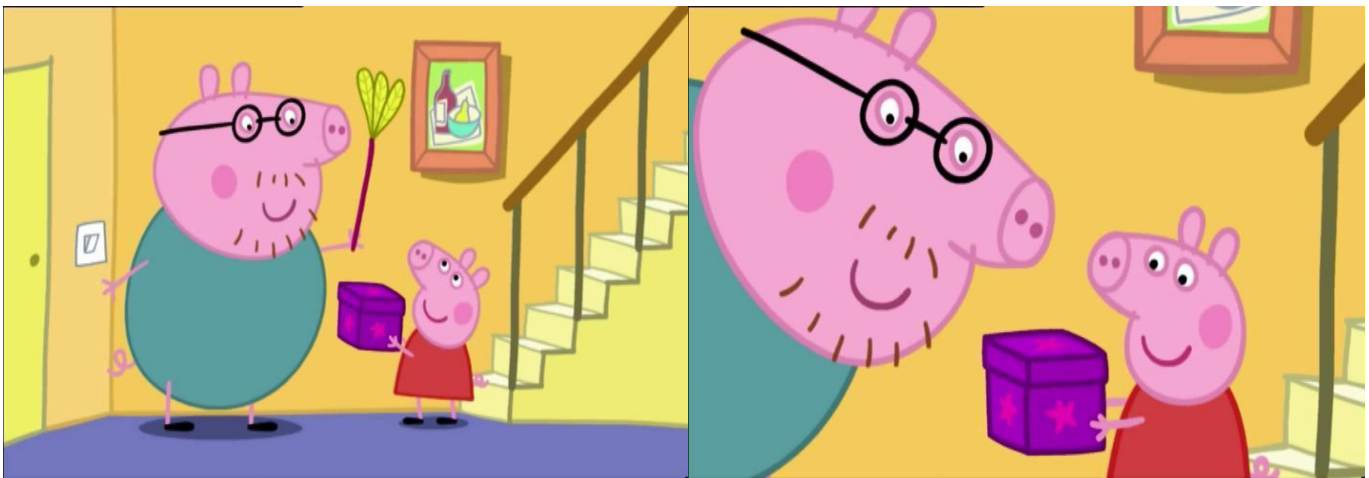

George: Dine-Saw!

Narrator: George thinks Peppa has put a dinosaur in the box!

Peppa: Oh, George! You always say "dinosaur" for everything!

Anyway, a dinosaur is too big to fit in the box.

Narrator: George cannot guess what is in Peppa's secret box.

Narrator: Daddy Pig is cleaning a picture.

Peppa: Daddy! This is my secret box! Mummy made it for me!

Daddy: It's very nice, Peppa! What's inside?

Peppa: It's a secret! George tried to guess, but he didn't get it right.

Daddy: Can I have a try?

Peppa: Yes.

Daddy: Hmm. Have you put my glasses inside?

Peppa: No!!! Your glasses are on your head!

Daddy: So they are!

Peppa: Silly Daddy! You must have a proper guess.

Daddy: Ok. Have you put Mummy's shoes in the box?

Peppa: Nope! And that's all your guesses. Used up!

Narrator: Peppa likes secrets!

Peppa: Mummy! No one knows what is in my box!

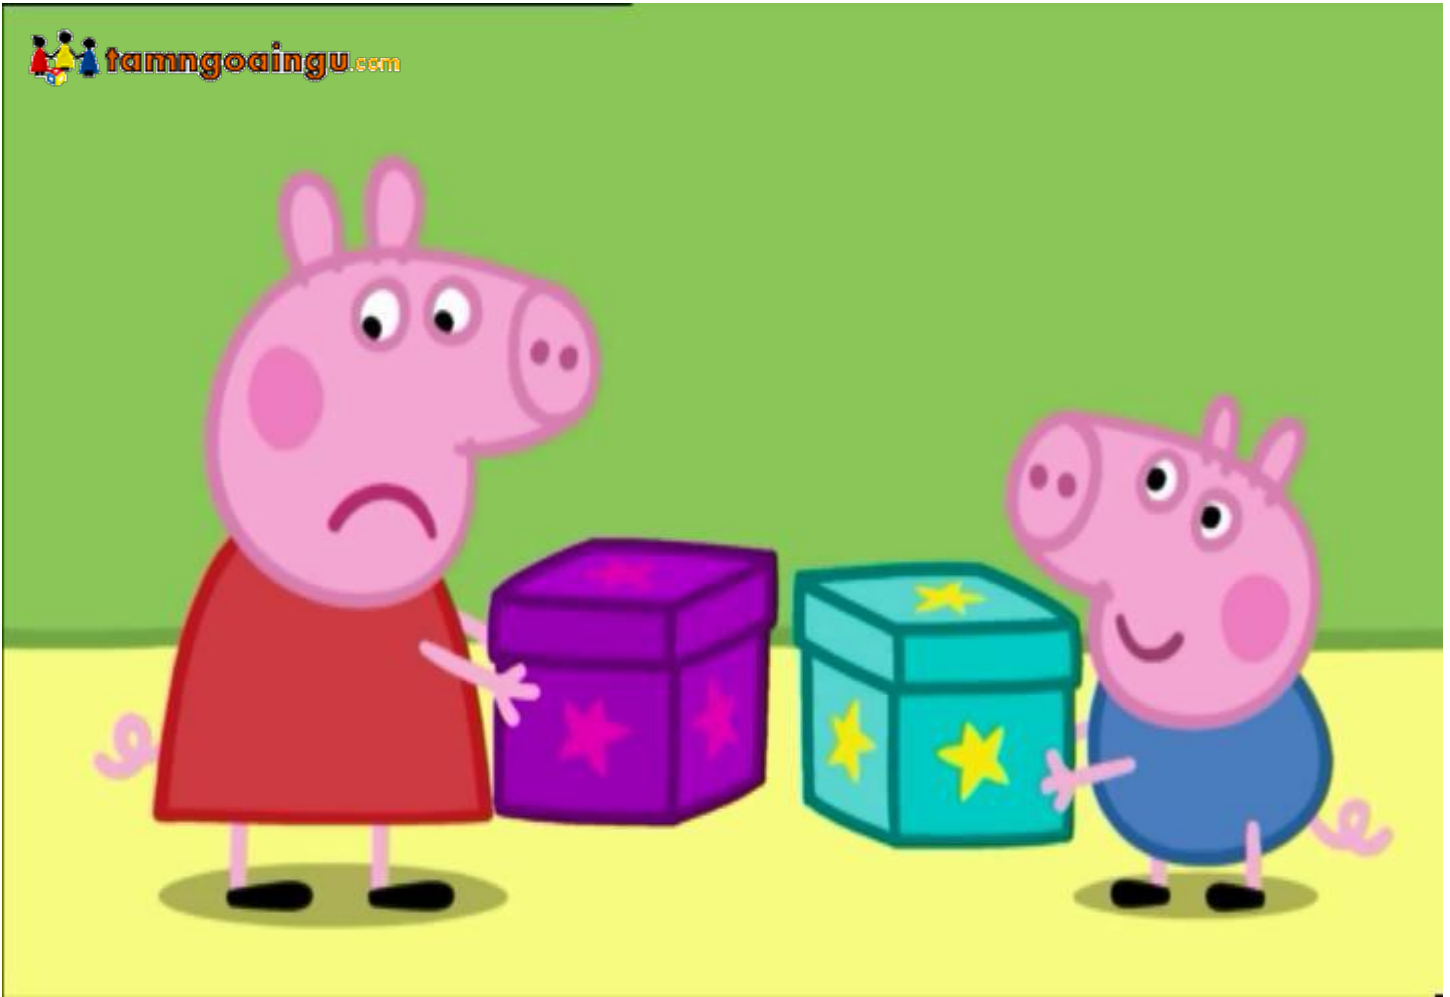

Oh. what has George got?

Mummy: I made a box for George, too! And he's filled it with secret things!

And only George knows what's inside.

Peppa: Oh.

Narrator: Peppa would like to know what is inside George's box.

Peppa: It's George's toy dinosaur, of course!

George: No!

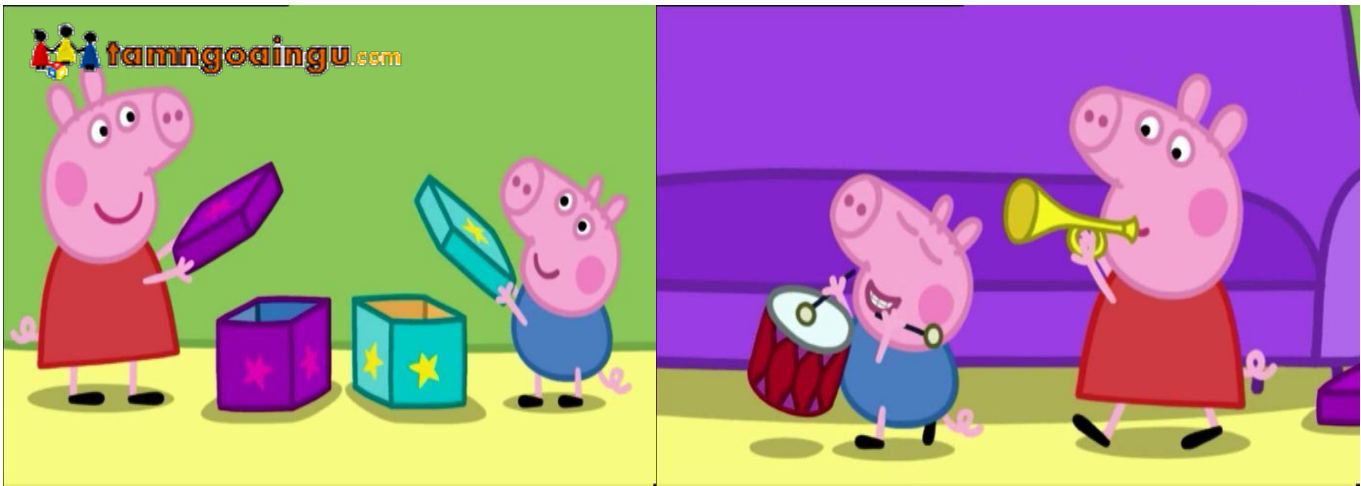

Narrator: George's toy dinosaur is not in George's box.

Peppa: It's too difficult! I'll never guess!

Narrator: Peppa does not like secrets as much as she used to.

Mummy: Maybe, if you showed George one thing from your box, then he could show you one thing from his.

Peppa: Ok. But we must do it at the same time.

Daddy: That's a good idea. On the count of three, you each show what's in your boxes.
Ready?

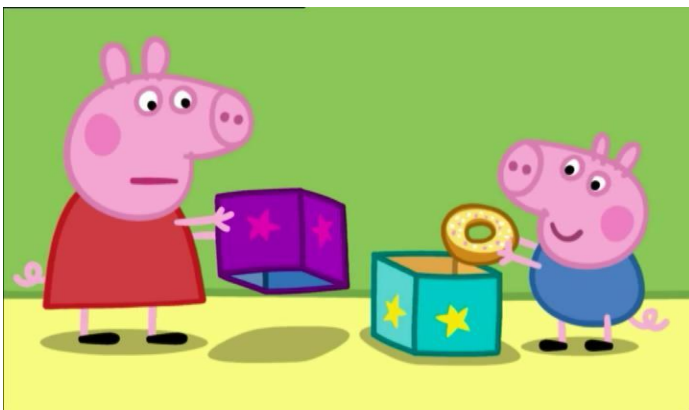

Peppa: Yes.

Daddy: One... two... THREE!

Narrator: George has a drum and Peppa has a trumpet.

Mummy: Lovely!

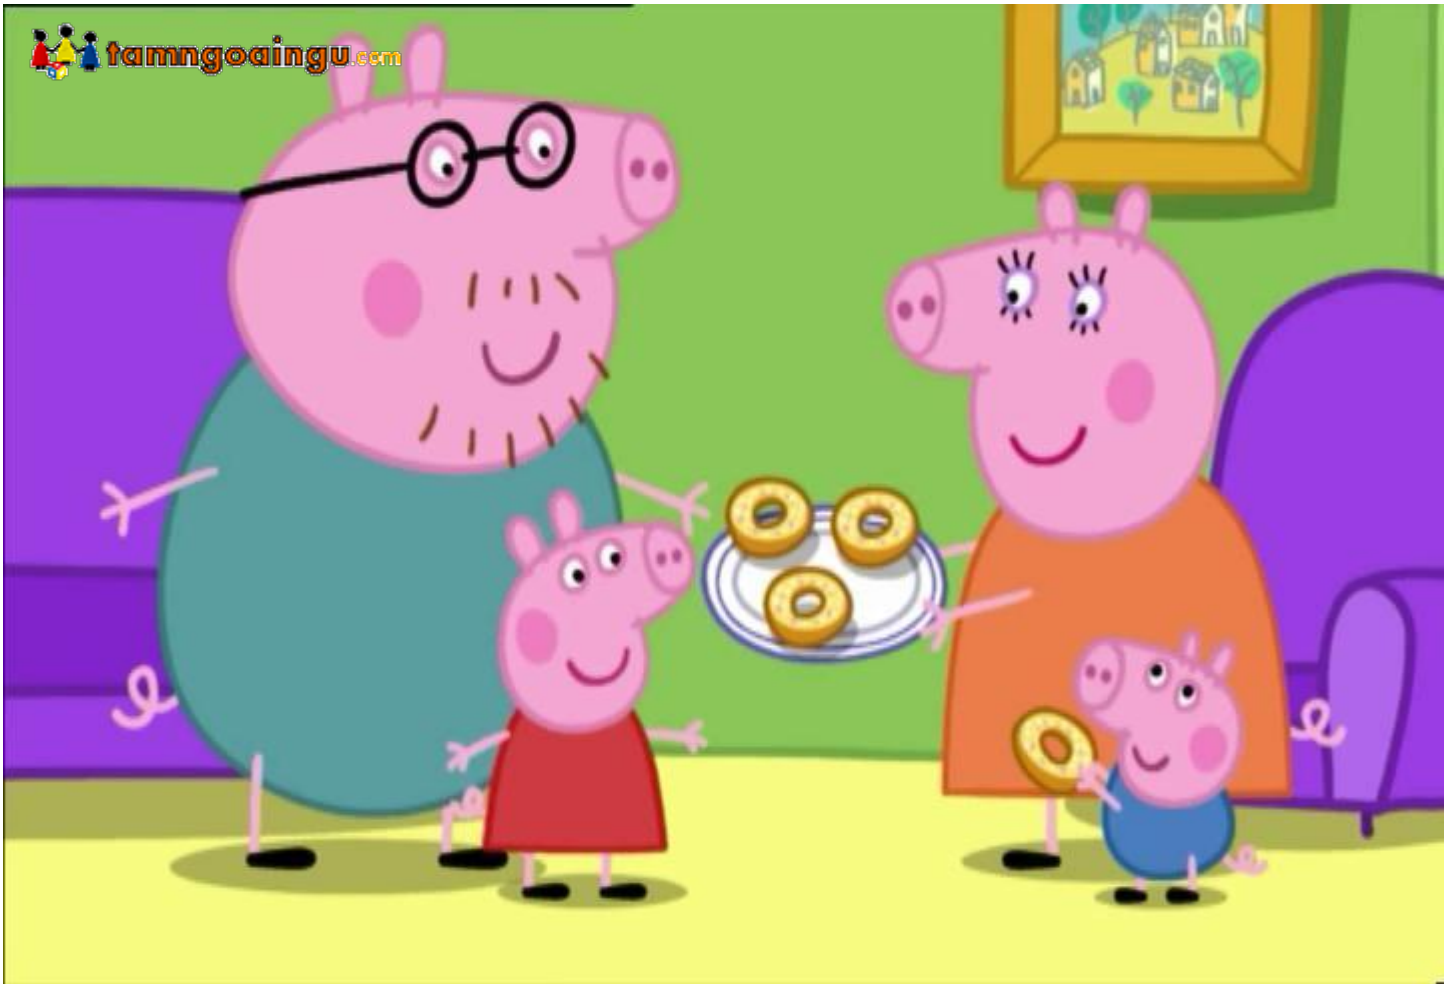

Daddy: Yes, it sounds very nice.

Daddy: Do you have anymore secret things?

Narrator: George has a custard doughnut! But Peppa's box is empty.

Peppa: I've got nothing else!

Mummy: Luckily, I have! Come on. Tuck in.

Narrator: George, Peppa, Mummy Pig and Daddy Pig all like custard doughnuts!

Daddy: I don't have a special box. But I know a very good place to hide my custard doughnut!
Can you guess where?

Peppa; Um. Are you going to hide it in the fridge?

Daddy: No! Somewhere much more special!
My tummy! Mmmmmm! Delicious!

Peppa: I'm going to hide mine in my tummy!

Mummy: Me, too!
