Narrator: Peppa and George have come to Granny and Grandpa Pig's house for lunch.

Peppa: Granny Pig!

George: Ganggy Ig!

Granny: Hello, my little ones! Would you like to pick some vegetables from the garden for lunch?

Peppa: Yes, please!

Peppa: Grandpa Pig!

George: Baba Ig!

Grandpa: Hello, Peppa, George.

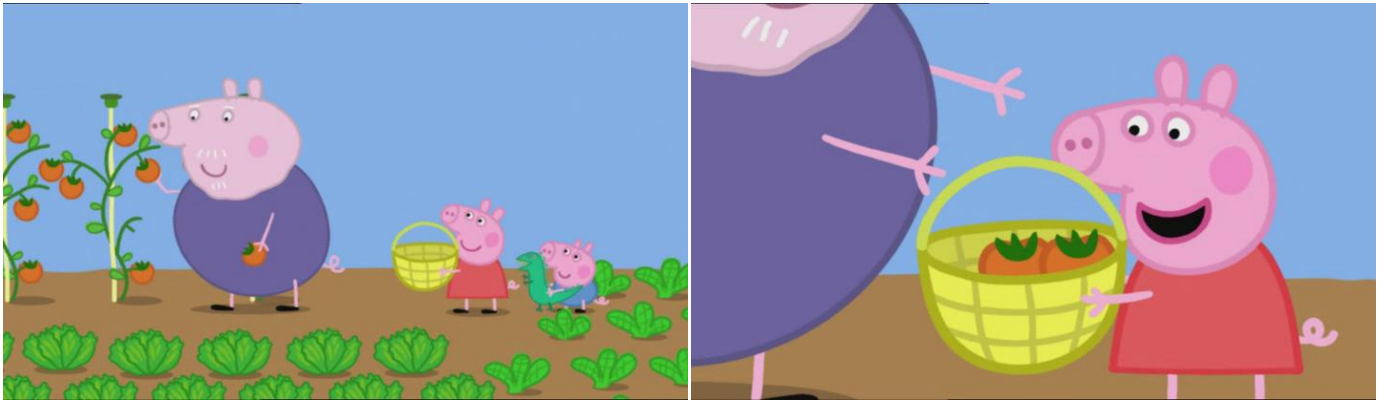

Narrator: This is Grandpa Pig's vegetable garden. He has grown all these vegetables himself!

Grandpa: What's this?

George: Dinesaw!

Grandpa: A dinosaur!

Grandpa: Let's choose some vegetables for lunch. Peppa, do you like tomatoes?

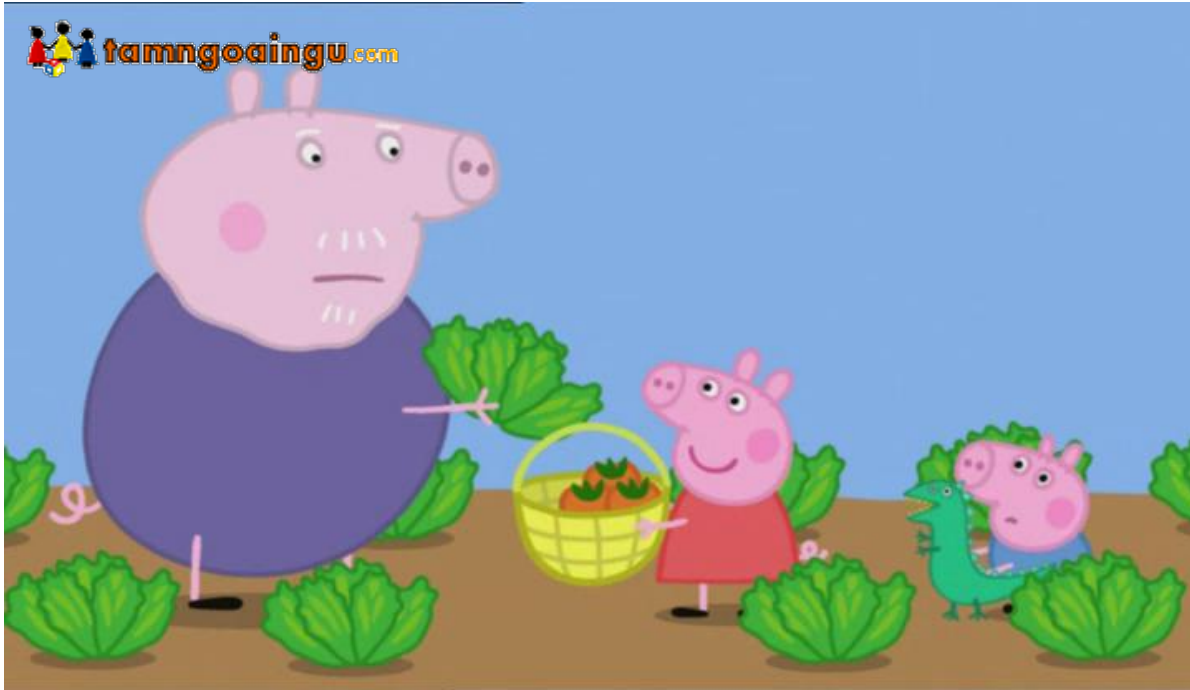

Peppa: Yes, Grandpa Pig!

Grandpa: George, do you like tomatoes?

George: No.

Peppa: George does not like tomatoes.

Grandpa: Oh, dear.

Grandpa: Do you both like lettuce?

Peppa: Yes, Grandpa Pig!

George: No.

Peppa: George does not like lettuce.

Grandpa: Oh, dear! I must have something that George likes.

Grandpa: Do you like cucumber?

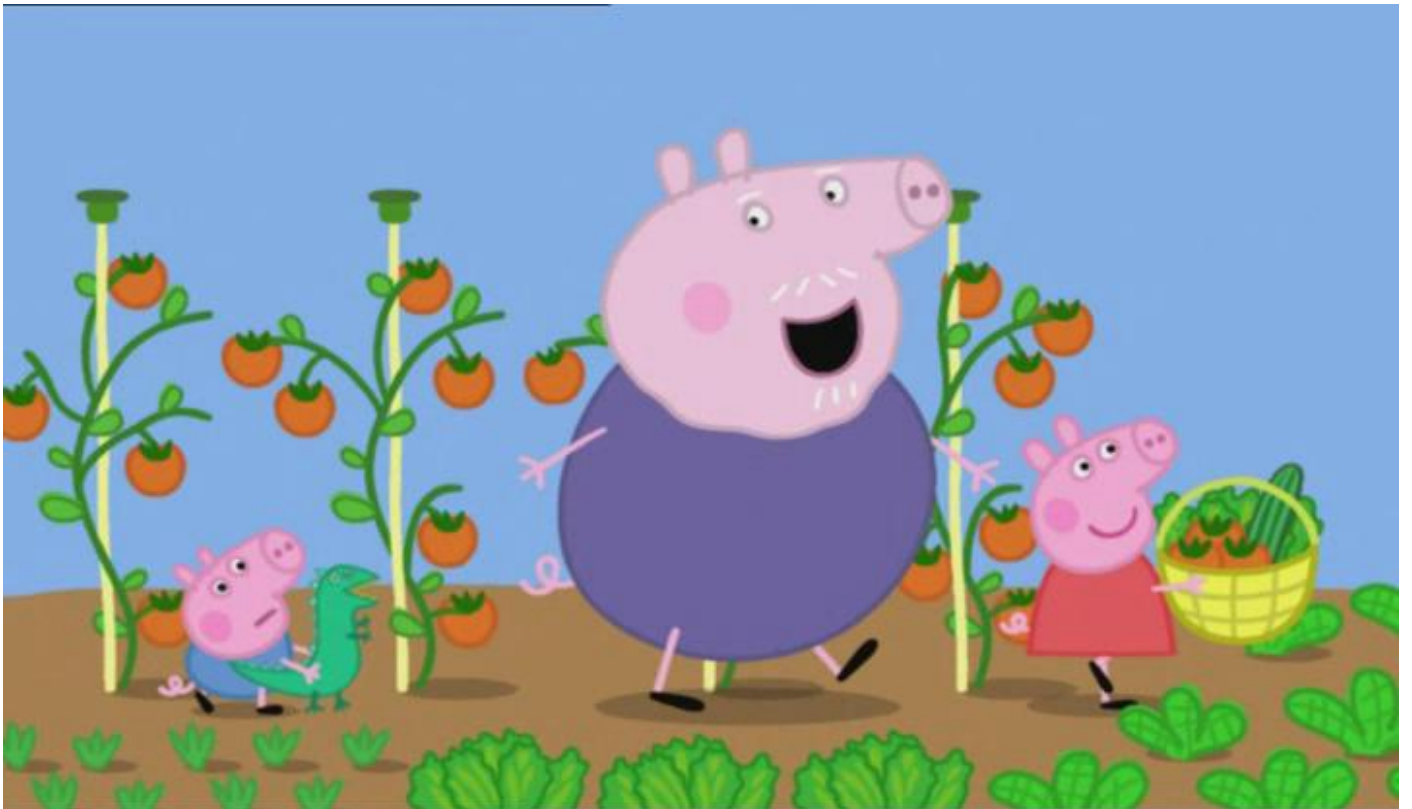

George: Yuck!

Narrator: George does not like cucumbers, and he does not like lettuce, and he does not like tomatoes.

Grandpa: Well, George, what vegetable do you like?
Chocolate cake!

Peppa: Silly George! Chocolate cake isn't a vegetable!

Grandpa: Maybe George will like the vegetables
when they're made into a lovely salad.

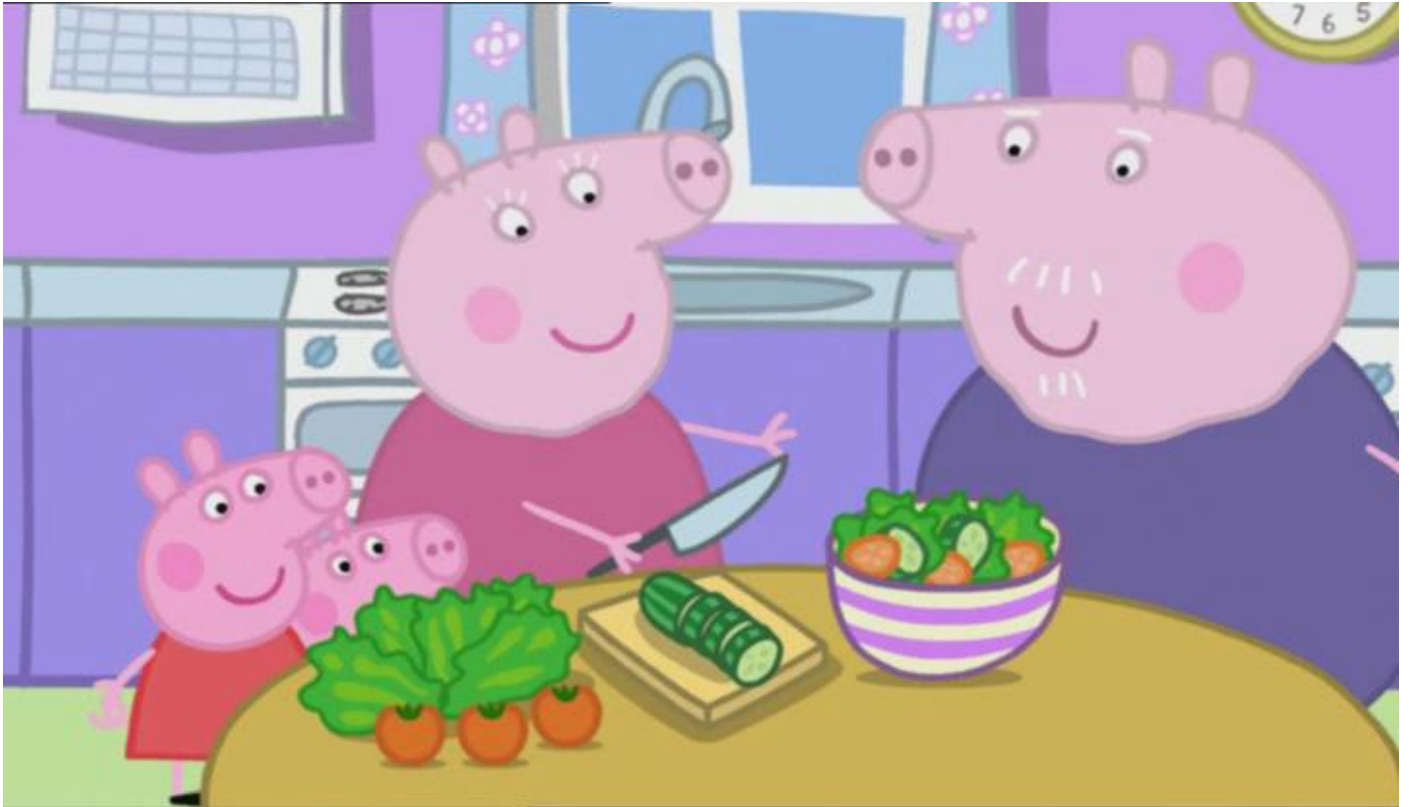

Granny: Ooh! Lovely fresh tomatoes, lettuce and cucumber! First, we have to wash them!

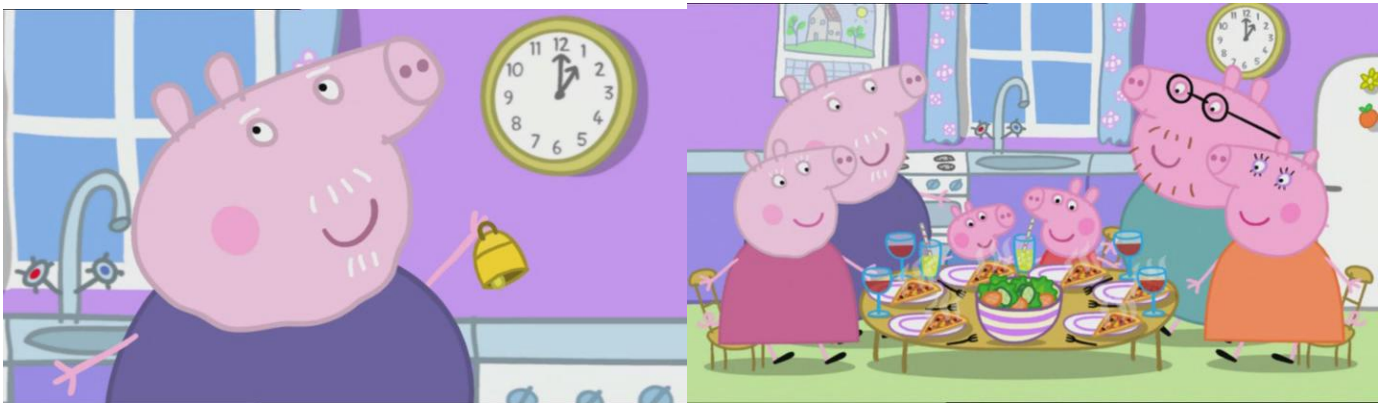

Narrator: Peppa and George help Granny Pig wash the vegetables.

Granny: Maybe that's enough washing.

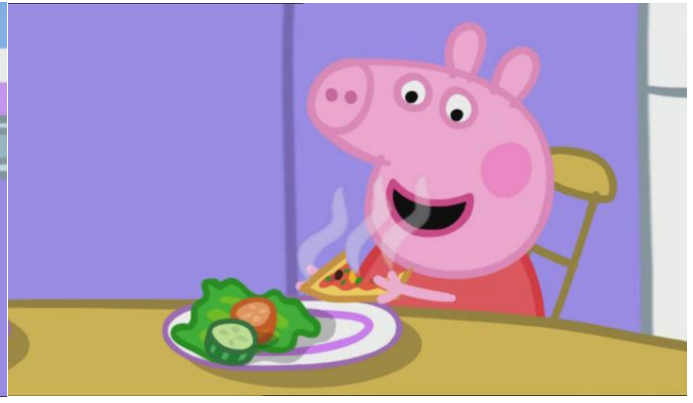

Narrator: Granny Pig has made the tomatoes, lettuce and cucumber into a salad.

Granny: Grandpa Pig, can you call everyone to lunch?

Grandpa: Lunch!!!

Narrator: Granny Pig has made pizza for lunch.

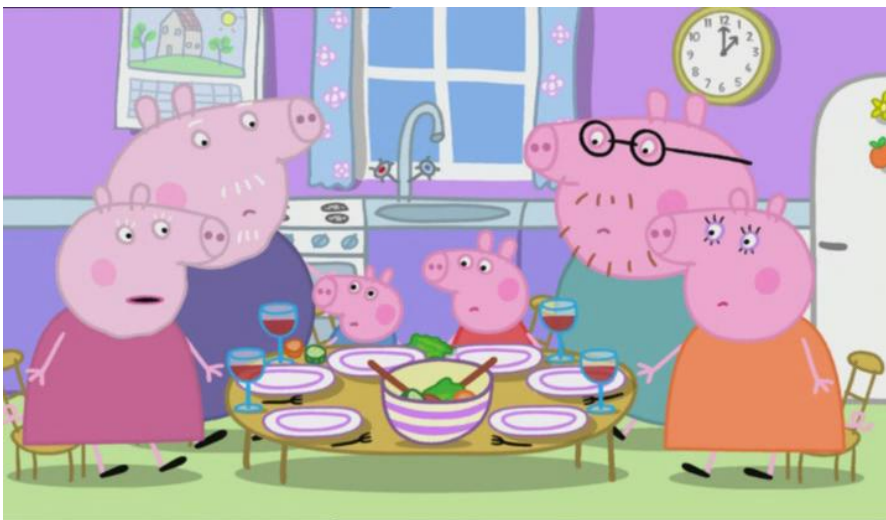

Granny: And here's some salad made with Grandpa's tomatoes, lettuce and cucumber!

Grandpa: Chuck in, everyone!

Narrator: George has eaten his pizza. But George does not like the tomatoes or the lettuce or the cucumber.

Granny: Oh, dear, George. Don't you like the salad?

George: No.

Mummy: George, just try a little bit of this lovely tomato.

George: Yuck!

Granny: George. This is cucumber. Grandpa Pig grew it in his garden!

George: Errrgh!!

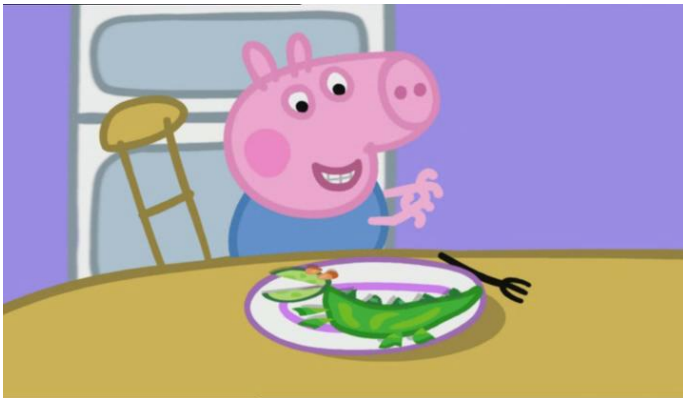

Daddy: Try a piece of lettuce, George. It's yummy!

George: wa, ah ah...

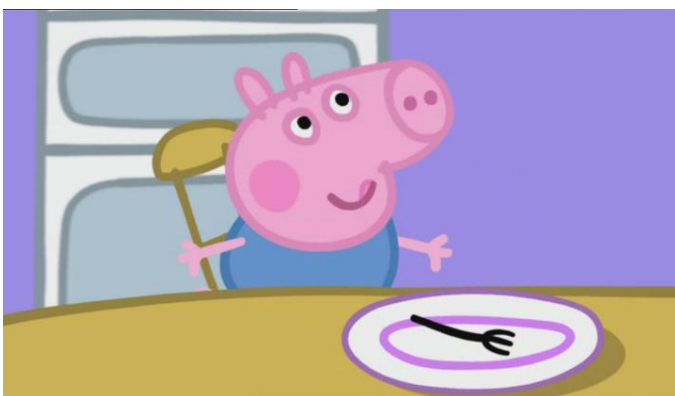

Grandpa: Now, now, George. Look what I'm doing.
Now, it's a dinosaur!

George: Dinesaw!

Narrator: George loves dinosaurs! George is eating
the tomatoes, lettuce and cucumber!

Mummy: Well done, George!

Granny: Would you like some more, George?

George: Full.

Grandpa: George, are you too full to eat any more tomatoes, lettuce or cucumber?

Narrator: George is too full to eat any more.

Mummy: George, are you too full to eat anything more?

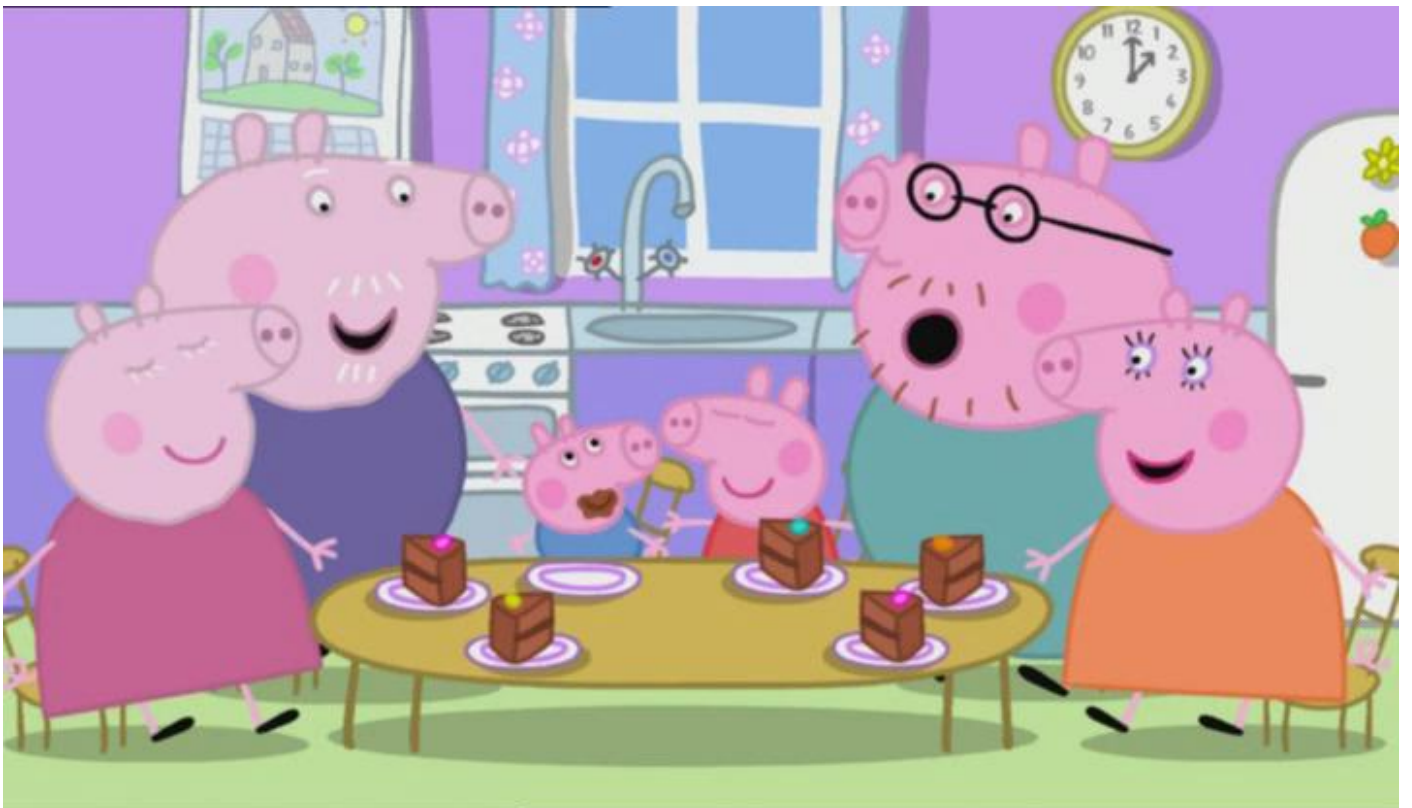

Narrator: George is too full to eat anything more.

Granny: Oh, well, then you won't want any of this CHOCOLATE CAKE!

George: Chocolate cake!

Grandpa: My word! George seems to have got his appetite back!
