# Vocab Doodle Notes:

The image displays three identical sets of 'Vocab Doodle Notes' templates arranged vertically. Each set consists of three hand-drawn rectangular boxes:

- Top Box:** A horizontal rectangle with the word 'Word' written in the bottom right corner. A large, thick black arrow curves from the top left corner of this box down and to the left.
- Middle Boxes:** Two vertical rectangles positioned side-by-side. The left one is labeled 'Definition:' and the right one is labeled 'Drawing:'. A horizontal arrow points from the right side of the 'Definition:' box to the left side of the 'Drawing:' box.
- Bottom Box:** A horizontal rectangle with the word 'Word' written in the bottom right corner. A large, thick black arrow curves from the top right corner of this box down and to the right.

Arrows also connect the 'Word' boxes of adjacent sets: from the top box of the first set to the bottom box of the second set, and from the top box of the second set to the bottom box of the third set.
