

Combining transport Oxford Activity Book for Children 1

Part One

Students take prepositions and objects to make normal combinations, or must explain and/ or draw to try to show how that combination is possible.

a person	on	people
a car	in	cars
a bike	under	bikes
a bus	on	buses
a truck	in	trucks
a van	under	vans
a jet	on	jets
a motorbike	in	motorbikes
a helicopter	under	helicopters
a train	in	trains
a ship	on	ships
goats	under	a cat
a fish	in	an umbrella
ants	on	a mouse
birds	under	balloon
Tokyo	in	a road
the sea	on	the sky

Combining transport
Part Two – Drawing challenge

Students compete to make the best drawing of the card that one person takes, explaining their drawings before the vote on the best one. Students must get the numbers right, not ignoring plurals S.
