

Read the instructions and find the treasure.

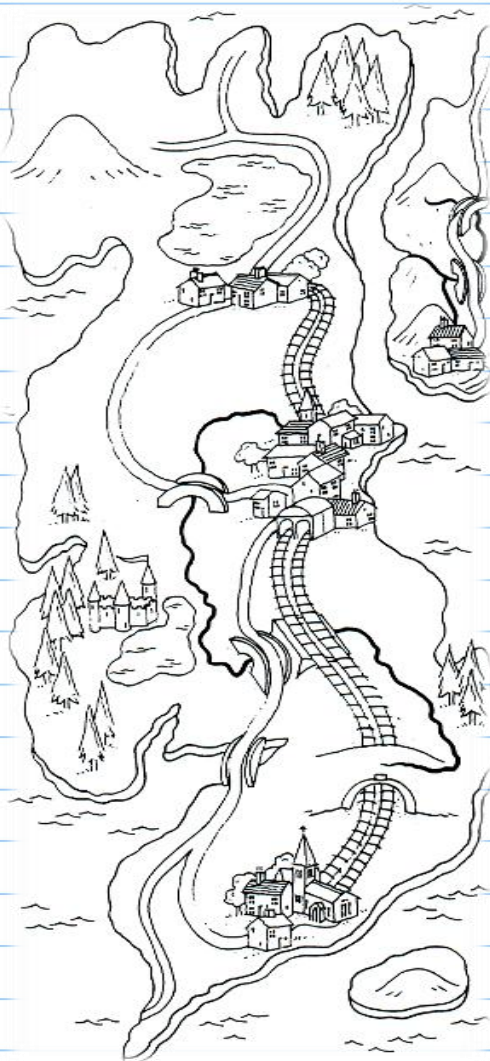

Once upon a time there was a pirate. On one of his voyages to the Caribbean Seas, he found a treasure chest. The pirate took the treasure back to his home and buried it. The pirate had four children. He made instructions and gave them to his children. But each child had only part of the instructions. So they could only find the treasure together. Here are the

Start at a church and follow the railway. Go through the tunnel and over the railway bridge to the town. When you arrive at the town, turn left and follow the road. Go over two bridges. At the end of the second bridge, turn right and follow the road to the end. This is point A.

There is a castle between a lake and a forest. Start here and walk to the road. At the road, turn left and go through a village. Stay on the road and go round the lake. In front of you there is a hill. Climb to the top of the hill. This is point C.

From the town cross the sea to another island. When you arrive on the other island, follow the road until you come to a bridge over a river. Follow the river valley between the two hills until you come to the mouth of the river. This is point B.

There are two lakes on the map. Start with one lake behind you
