

Last Saturday, I was walking through the Botanical Gardens with my five pet rabbits. It was a sunny day, the air was fresh and the trees were bright and green. Suddenly, a group of angry gorillas jumped out of the trees and started to chase my pet rabbits. They threw balloons filled with orange soda at us. My rabbits hopped over the fence and I was cornered by the gorillas. I started to sing a song to them. The gorillas were falling asleep while I sang. Then I hopped over the fence and ran all the way home.
