

Project Plan

Project name:	<i>HOW CAN WE MAKE OUR CITY SAFER ?</i>
Team members:	

<i>Which issue will your group research ? (numbers, facts, examples, etc)</i>	
<i>What are some rules in Vietnam about it?</i>	

<p><i>What are some rules in Hanoi about it?</i></p>	<p><i>Wear helmet when you drive a motorbike</i> <i>Just walk on pavement</i> <i>You are not allowed to drink alcohol and drive</i></p>
<p><i>What are some rules in HCMC about it?</i></p>	<p><i>Like Ha Noi</i></p>
<p><i>What are some rules in your country about it?</i> <i>Choose 3 cities or provinces</i></p>	

<p><i>Are any of these rules effective (e.g. do people follow these rules)?</i></p>	
<p><i>Think of 8 rules or laws to fix the problem.</i></p>	
<p><i>How could these new rules or laws make your country safer?</i></p>	
<p><i>How can you make people follow the rules? (e.g. public awareness)</i></p>	

Functional Language	<p>You should never / always / only sometimes...</p> <p>Be careful when...</p> <p>If you see you should...</p> <p>To make the industry better people should not be allowed to... ...should be banned.</p> <p>More should be done to help...</p>

<i>Tasks: (Example: research information, create slides, find pictures...)</i>	<i>Who will do it?</i>	<i>Done</i>
<i>research information</i>		
<i>find pictures</i>		
<i>create slides</i>		

<i>What tools will we use?</i>	<i>Computer</i>
