

## LADDERS

1st hr: Grammar review + Communication.

Warmer: Ladders (15mins)

Review: Grammar: Can/Allowed to/Have to. Grammar Auction! (30mins)

Lead in: Laws around the world quiz

Communication: Make rules for a club. 1) get into groups. 2) choose a club (elicit some ideas). 3) What are the rules for your club? 4) Draw signs for the rules. 5) Show other groups your signs. Can they guess the rules? (possible extension: make poster for your club, with rule signs drawn on it. Present your club to class)

2nd hr: Reading: Stick the paragraphs around the room. Give students questions they have to answer from the reading.

Use tablets to find a picture you and your partner like. Discuss the photo together, and then tell the class why you like it so much. Does it use any of the tips you've learnt?

3rd hr: Project work.
