# Battleships

Destroyer

Submarine

Cruiser

Battleship

1. Draw 1 destroyer, 1 submarine, 2 cruisers, and 2 battleships in your ocean. (6 ships total)
2. Shoot at your enemy by calling a square (example: **Does Bill like swimming?**)
3. Your partner answers "**Yes, he does**" if you hit one of their ships, or "**No, he doesn't**" if you miss their ships.
4. If you hit your partner's ship draw an X in the square, if not draw an O.
5. Sink all of your partner's ships to win.

HIT=X   MISS=O
