

IELTS Writing Practice Test 3

TASK 1 (20 minutes)

The bar chart shows the relative electricity consumption and cost per year of various household devices.

Write a 150-word report for a university lecturer explaining the data and making comparisons where relevant.

TASK 2 (40 minutes)

The internet has transformed the way information is shared and consumed, but it has also created problems that did not exist before.

What are the most serious problems associated with the internet and what solutions can you suggest?

You should write at least 250 words.
