Howard, you said you saw the movie The Aviator. Oh, yes. With Leonardo DiCaprio. OK, What is the movie about? Well, The Aviator refers to the character Howard Hughes. OK, who was Howard Hughes? Well, Howard Hughes is is a very famous person in the United States. He was a flyer first of all, and he was a producer of movies and he was a little crazy. The interesting part of his character, although he was a very brilliant thinker and and a great aviator, he had a kind of obsession with cleanliness, which actually drove him crazy in his later life really. So he, he always wanted to be super clean, super clean. He hated germs and he, he went to extraordinary lengths to keep him, himself and all the his surroundings clean. If anybody touched him, he had to wash many times to get all the germs off of him.

And he was just it, it, it became such an obsession that it interfered with his entire personal life. Wow. What about you? Are you very clean? Do you worry about germs? No, not really. I don't think so, actually. If you're eating M and Ms. and one falls off your hand and hits the floor, would you pick it up real quick and still eat it or would you not eat it? It depends if I

will clean the floor lately.   OK, but overall, back to the movie. Was it a good movie? Yes. In fact, it's been nominated for a number of Academy Awards and I think this year it will it will do quite well. It's entertaining and it's a well performed by Leonardo DiCaprio. Although I think that Leonardo DiCaprio is a little young for the part, but I he did a very good job in his acting. OK thanks. Maybe I'll I'll see it try.

OK, now I'll talk about my winter vacation. This winter vacation I spent two weeks in my hometown which is Daytona Beach, FL. It was wonderful. The weather was warm every day, the IT was sunny every day and the temperature was almost 80°.   I visited my mother and I spent every morning having a nice leisurely cup of coffee and reading the newspaper. And after that I got the my bicycle out and rode down to the beach and enjoyed the sun and the surf. Came back home and read a book and went to bed early. I had a wonderful time. I saw a couple of new movies when I was home in Florida.
