doctor

nurse

thermometer

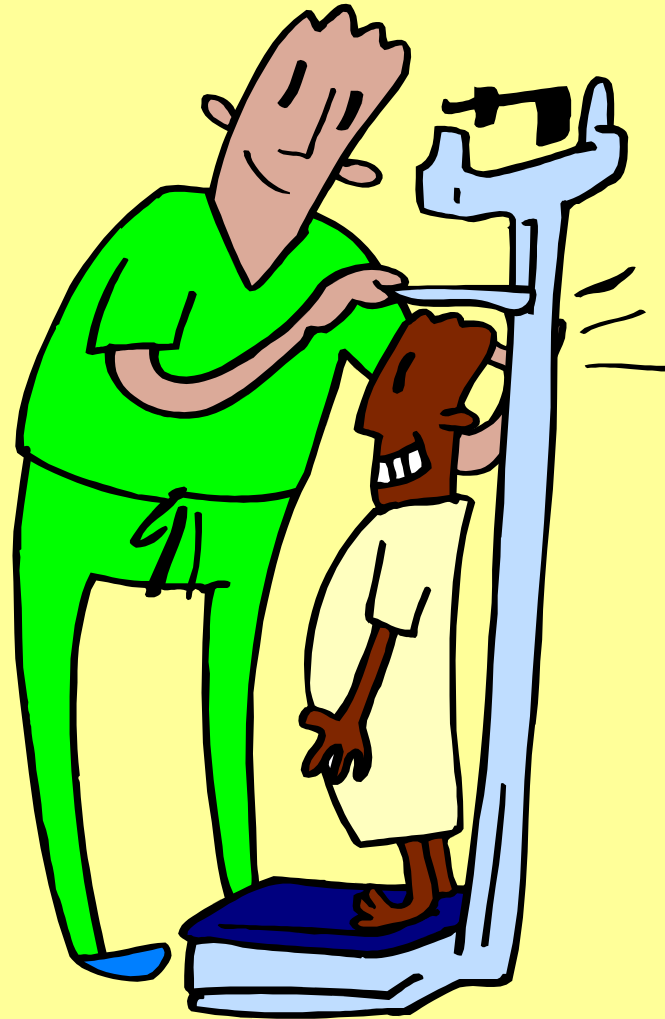

stethoscope

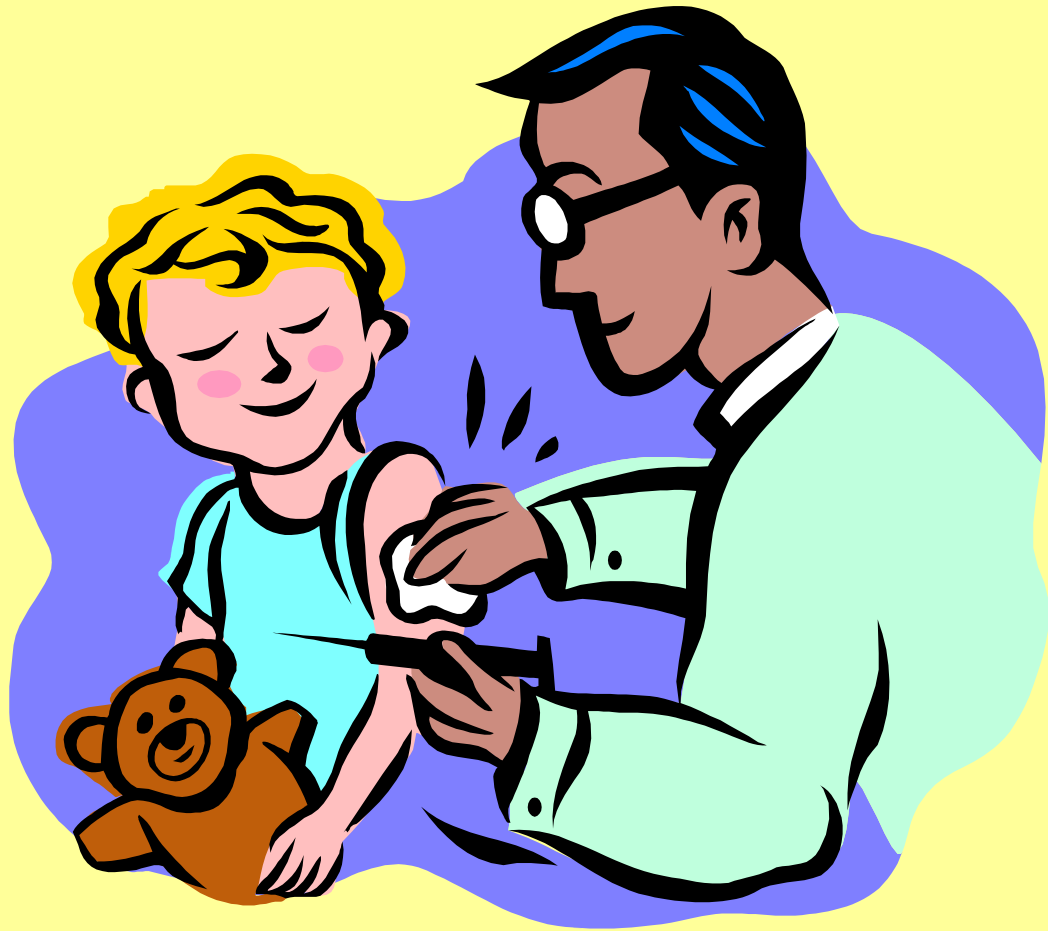

waiting room

scale

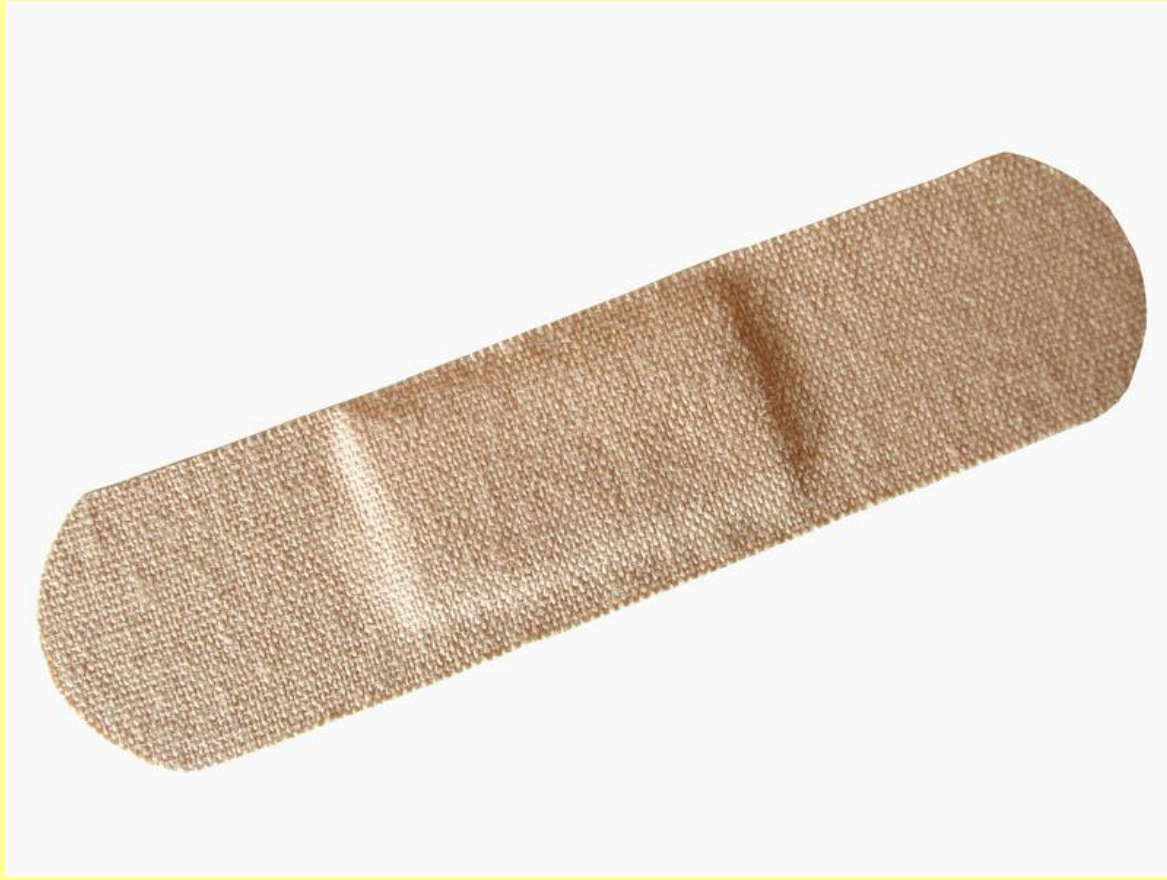

shot

chairs

band-aid

How to Use

- You can either print the pages out, or show them to the student on a computer, Smartphone, or tablet for vocabulary development. My students seem to enjoy viewing it on a computer, phone, or tablet, but do whatever works best for your student.
- This activity is part of a series of activities about going to the doctor or dentist. You can find the rest of these activities here:
